GUEST POSTING GUIDELINES FOR THE CHARACTER CORNER

Because of my faith and audience, all guest posters must have a Christian testimony. If you're not comfortable with this, please let me know ASAP.

Posts should involve one of the themes from my blog: parenting, homeschooling, homemaking, purity, and Biblical family life.

Please make sure that your post isn't related to sales or business. We want it to be an encouraging, helpful post rather than a sales type post.

Guest posting is a fantastic way to get your work in front of a new and growing audience, so please submit fresh writing and your best work.

Posts should be between 500 and 750 words.

Please submit your post as html. Submit a title and images with your post. Your post will be pinned to pinterest, so make your intro image as pinterest-friendly as possible.

On the day that your post is live, you may post a teaser on your blog, re-directing your readers to the main post on mine. Please only post either the first paragraph or write a brief introductory summary for your teaser.

Feel free to include your bio—a picture is nice (preferably 300dpi) and a short intro paragraph about you. Please don't include business links within your bio.

Thanks for your interest and feel free to ask any questions.
